Cancel your subscription from the App Store

If you subscribed to your Archipad subscription through the App Store, you can cancel it from your iPhone or iPad settings.

1. Open **Settings**.
2. Tap your **name**.
3. Select **Subscriptions**.
4. Tap **Archipad**.
5. Select **Cancel Subscription**, then confirm.

Automatic renewal will be disabled. You will retain access to Archipad until the end of your current subscription period.
