

How do I add a comment to an observation?

Posted on July 29, 2026 by Smaheine

On Archipad Web

1. Open the site visit and select the observation.
2. Click on **History and comments**.
3. Click on **Add a comment**.

On Archipad iOS

1. Open the site visit and select the observation.
2. In the **details panel**, click on **History and comments**.
3. Click on **Add a comment**.

On Archipad Mobile

1. Open the project, then **Observations**.
2. Select the observation.
3. Tap **Add a comment**.

Good to know: Comments are accessible from **History and comments**.
