

3-Accedi ad Archipad

Posted on 27 Aprile 2026 by Smaheine

Obiettivo : Scopri come accedere al tuo account Archipad su tutti i tuoi dispositivi.

1. Apri l'applicazione Archipad o visita <https://cloud.archipad.com/>
2. Fai clic su « **Accedi** ».
3. Inserisci il tuo indirizzo e-mail e la tua password.
4. Fai clic su « **Accedi** » per accedere all'elenco dei tuoi progetti.

The screenshot shows the Archipad login interface. At the top, the Archipad logo is displayed. Below it, there is a red button labeled "Se connecter" and a link "Créer un compte". A link "Vous avez un problème ? Contactez le support" is located below the login button. The main section is titled "Se connecter" and contains two input fields: "E-mail professionnel" and "Mot de passe". The password field has a toggle icon for visibility. Below the password field is a link "Mot de passe oublié ?". A red "Se connecter" button is positioned below the input fields. At the bottom of the form, there is a link "Vous n'avez pas encore de compte ?" followed by a red "Créer un compte" link. A footer link "Vous avez un problème ? Contactez le support" is at the very bottom.

Suggerimento : Se dimentichi la password, utilizza il link « Password dimenticata? » per reimpostarla.
